

I would like to first express what an honor it is to serve this organization as the the president for 2008-2009. It is my intention, as well as that of the board, that we will continue to build upon our previous successes in the effort to enhance the sport of cross country. I believe we have made great strides in the short history of this organization and we hope to continue that trend.

For those of you that were able to attend the clinic this summer, we sincerely appreciate your presence. We hope that you had a great experience and left with something you can take make to your program. If nothing else, hopefully you were able to enjoy socializing with your fellow coaches.

On behalf of the Cross Country Coaches Association of Texas, I hope you have a great cross country season. If you have any concerns or suggestions about the association, please do not hesitate to contact me or any other board member. Please help to spread the word about the organization. It would be great if you could include something in your meet packets this fall promoting our efforts with the CCCAT.

Have a great year,
Thomas Hensley
